

2. Passport to Adventure promotion – Prize value minimum \$1000

The Passport to Adventure promotion follows a map around the Show, with six designated “check points”. Show visitors are given their “passport” at the Show entry, and follow the map to each check point, where they are able to collect a letter that will eventually fill in the code word. Once they have all six letters, they can enter the code word on the entry form and place into the barrel. Winners are drawn from the barrel at the conclusion of the Show.

As prize sponsor, you will enjoy recognition as follows:
